

28th February 2018

I hope you managed to read through our Bad Weather Policy which was sent out via parentmail earlier this week, fingers crossed that we don't have to put it into action. On a positive note, the children have all been very excited at the sight of the snowflakes!

I would like to say a big thank you to the parent fitness group who have donated a total of £340 in subscriptions which we have used to purchase some new gym mats. Thank you also to Joanna Nicolau who donated £20 to the school fund from money she raised at a garage sale.

Super Wrens and Puffins!

On Wednesday 7th February 2018 the Wrens and the Puffins had a 'Superhero Day'. They had four super challenges to complete mixed up in their house teams.

Challenge 1 – making a super salad

Challenge 3 – the laser beams

Challenge 4 – an outdoor obstacle course

We are thrilled to say that all the children used their super powers and were brave and strong and had a go at everything! A big thank you to all the Parents for supporting our special day by sending the children to school looking fantastic!

Gardening volunteers needed!

As you may have seen, the front garden at the school has recently been tidied up and we are looking for a group of volunteers to improve and maintain it.

Imagine an explosion of colour for all the parents and children to enjoy and make it a beautiful and welcoming experience. If you have any gardening experience or just willing to lend a hand we would love you to join our team.

Would you be willing to join us and commit to approximately 2 hours a month? (The actual hours would be dependent on the number of volunteers).

The front flower beds are accessible all day long and volunteers do not need DBS clearance.

As funds are limited it would be preferable that volunteers are able to use their own equipment if they have any or borrow spares.

To begin with it will require one big session to clear out any remaining weeds/unwanted plants and pruning. Then following on we will draw up a rota of maintenance.

Please contact Nina at ninafaithfull@hotmail.com by the 9th of March if you would like to volunteer or find out more information.

Rainbows and Brownies

Dear Parent/Carer,

Please consider giving up some of your spare time during the weeknights to help out & maybe even become a leader with a unit of Rainbows, or Brownies as they really appreciate your time and you as an adult will have fun too and what better reward than to see those smiling faces? Why not bring a friend along too? We currently have a pressing requirement for Brownie leaders, so please consider us so we can take some of the many girls off our long waiting to join lists. No experience is needed as full training is given

All that's required is a sense of humour, organisational skills, imagination and some patience!

Please see our website www.girlguidingguildford.org.uk for more information or email Natalie at getinvolved@girlguidingguildford.org.uk

I look forward to hearing from you very soon and you could be helping within the next few weeks.
