

I would like to say a big thank you to Mr and Mrs Watson and Mrs Hill and Brandon for giving up their time to grit the front entrance last Thursday, it was much appreciated! I very much hope that we have seen the last of the snow.

Congratulations to Mrs Warden and the kitchen team who had an unannounced drop in from the Environmental Health Inspector. I am delighted to say that the team were again awarded **5 stars** (the maximum amount) for **cleanliness and hygiene**. Brilliant!

## **World Book Day**

We were so impressed, that despite the snow everyone made such an effort for **World Book Day**, either dressed in their pyjamas or as a favourite book character. The children spent the day listening to and sharing stories with each other as well as working on book related tasks. The **book fair** raised a whopping **£1,112.38** for the school as we received a percentage back on every book that was bought. Each class has been given £100 to spend on books for their classroom and the rest will be spent on replenishing the Infant and Junior libraries. Thank you so much!

## Class Zone

Last Wednesday, the Kingfishers and the Woodpeckers went back in time to the **Stone Age**! We had such a fun-filled day; hunting mammoths, touching animal skins, exploring Stone Age tools and making our own miniature stone circles. We even got to hold a piece of a woolly mammoth's tooth! As you can see, everyone put a lot of effort into their costumes and really embraced the theme of the day.

Thank you Portals to the Past for visiting us!
